The Schooner *Martha* Foundation is pleased to be able to offer sail-training opportunities to all youth, regardless of their financial situation. We ask that the families consider the opportunities we offer for their student and balance it with their own resources. Every contribution is accepted and appreciated.

Our policy for scholarship accessibility is based on the student's desire to participate and their level of commitment. We ask that all participants contribute financially toward their trip. We offer scholarships of varying levels. Please see the table below for guidance.

It is our strong belief that the lessons learned in sailing and working as a crew can be a valuable life experience for all involved. The process of contributing, even in part toward the trip, can bring lessons and insight.

Full (youth) day rate	75% discount day rate	50% discount day rate	25% discount day rate
\$175	\$43.75	\$87.50	\$131.25
5-day trip (youth) cost, full rate	5-day trip (youth) cost with 75% discount	5-day trip (youth) cost with 50% discount	5-day trip (youth) cost with 25% discount
\$875	\$218.75	\$437.50	\$656.25

In this spirit we ask that the student please write a brief statement of your scholarship request, with a paragraph explaining the amount of scholarship requested and why the student would like to sail aboard *Martha*. Please email to: [sailmartha1907@gmail.com](mailto:sailmartha1907@gmail.com), or call (347) 746-8851.

Sincerely, Robert d'Arcy & Emma Gunn Thomson
